We charge a £60 non-refundable administration fee upon acceptance of our offer of a place. This covers:

1. Two settling-in sessions (typically one hour and two hours), which may include a snack and can be extended to suit your child’s needs.
Depending on the timing of your child’s settling-in sessions, they may also have the opportunity to participate in some of our extra-curricular activities, including Disco Dough, Active Bean, Drawing Club, Mrs Bloom's Gardening Club, Mini Master chefs, or Forest School. The fee helps us fund your child's participation in these activities.
2. An initial assessment and observations by our Early Years Teacher and team to understand your child’s development and identify any additional support they may require.
3. Registration and setup on our Early Years software and parent portal, allowing you to stay updated on your child’s progress.
4. Administrative paperwork related to enrolment, including forms, contracts, as well as the setup of records for billing, emergency contacts, allergies, and medical information.
5. Resource allocation and materials preparation, such as welcome packs, name tags, and peg cards.

The fee is specifically for administrative work already completed, not a deposit towards future fees. The fee protects the nursery from financial loss if a family changes their mind after paperwork and planning have been done.

EEEE funding covers the costs of providing a basic EYFS provision. These additional charges are voluntary but necessary to ensure we can deliver the best high quality early education.
